

THE LAWRENTIAN

VOL. XLV. Number 43.

LAWRENCE COLLEGE, APPLETON, WIS.

Friday, March 16, 1928

Six Elected
Members Of
Mortar BoardMiss Charlotte Lorenz Elected
Honorary Member of
Senior Group

Announcement of the election to Mortar Board, national senior women's honorary society, of Evelyn Barbour, Bernice Case, Doris Gates, Evelyn Logan, Anna Marie Perschbacher, and Miriam Russell was made at chapel today. Miss Charlotte Lorenz, of the Spanish department, was made an honorary member of the group.

Election to Mortar Board, one of the most distinctive honors which can come to a college woman, is based upon service, scholarship and leadership during the first three and one half years of college life. An average grade of 85 in all college work, and a marked activity in extra-curricular activities on the campus, are required for election to Mortar Board.

Honorary Election

The honorary election of Miss Lorenz was based on her interest in students and in campus activities, and on her work in Y.W.C.A. and W.A.A. Miss Ellen Tuttor was elected an honorary member last year.

Evelyn Barbour is a freshman counselor at Peabody, and has been active in W.S.G.A. She transferred to Lawrence last year from the University of South Carolina.

Bernice Case, who is a proofreader and reporter on the Lawrentian, served as copy editor on that publication during the first semester last year. She is a member of Theta Sigma Phi, honorary and professional journalism fraternity, editor of the 1928 Latinist, and a member of English, History and Latin clubs.

Doris Gates is house president at Peabody, and a freshman counselor. She has been active in Lawrentian work, and is a member of English and Trinity clubs.

Evelyn Logan, who transferred to Lawrence from Dakota Wesleyan university where she was active in campus activities, is the newly elected president of Y.W.C.A.

Anna Marie Perschbacher has been on the Lawrentian staff for two years, and is active in W.A.A. and Y.W.C.A. work. She is a member of Theta Sigma Phi, and of Trinity and English clubs.

Miriam Russell was president of the Y.W.C.A. during the past year, and is a member of the new Y.W.C.A. cabinet. She is also secretary of the junior class.

The student members of the organization are Florence Bennett, Violet Christensen, Mary Gregory, Amy Howser, Mary Morton, Edith Reeve, and Mildred Scott. The faculty members are Miss Olga Achtenhagen, Miss Irene McCourt, and Miss Ruth Norton.

Pupils From Brainard
Studio Present Program

Four pupils from the studio of Gladys Yves Brainard presented the program at chapel Thursday morning.

The first number, played by Mabel Look, was Strauss' "Serenade", transcribed for the piano by Wilhelm Bachaus.

"Etincelles" by Moskowski was played by Elizabeth Thompson, and Leschetizsky's "Venetian Boat Song" by Joyce Wenzel. The final number was "Etude in Octaves" by Leschetizsky, played by Russell Danburg.

Harvard Dean Here

Edwin F. Wright, assistant dean of Harvard university, is conferring with students on the Lawrence campus today. Anyone interested in business administration, particularly in taking graduate work in business at Harvard, may see Gordon Clapp and arrange for an appointment with Dean Wright.

Women Debaters Will
End Season Against
Marquette Tonight

The last home debate of the women's season will be held tonight at 8:00 at Appleton high school when the negative team meets Marquette before an American Legion audience.

The debate will be a two member contest and will be non-decision. Agnes Huberty and Elsa Grimmer will speak for Lawrence, and the debate will be open to the public.

The affirmative team returned Thursday morning from a trip to Milwaukee and Waukesha where they met Marquette and Carroll colleges. Speakers for Lawrence were Mildred Christman, Ramona Fox and Bertha Greenberg. A debate with Carroll was also held at Kaukauna high school on Wednesday; Lawrence upheld the negative with Agnes Huberty, Elsa Grimmer and Genevieve Burr as speakers.

Tentative arrangements have been made for a debate with Oshkosh normal next week, but it has not yet been decided who will represent Lawrence in the debate.

Affirmative Debate
Team Meets Illinois
Wesleyan At Chilton

Marquardt and Voecks To Represent
Lawrence In Debate This
Afternoon

The Lawrence college affirmative debate team will meet the negative team representing Illinois Wesleyan of Bloomington at Chilton this afternoon.

The Viking affirmative will endeavor to duplicate the feat of the Lawrence negative, which defeated the affirmative of the Illinois institution last week. The two man system of presentation will be used in this debate.

Personnel

The Lawrence men who will take part in the contest are Ervin Marquardt, '29, and Walter Voecks, '30. Both of these men have taken part in practically every affirmative debate this year and should be able to meet any major argument that the Illinois team might advance.

The Lawrence squad this year has been forced to do some intensive work on the debate question, which deals primarily with our foreign policy in Latin America. Due to the fact that a committee of the United States Senate is investigating this question, and that our marines are in Nicaragua at the present time, the squad must revise its case constantly so that it may be consistent with the latest evidence on the subject.

Discussion Group To
Meet Sunday Morning

The teachings of Christ versus the miracles of Christ as a basis for discipleship will be the subject of next Sunday morning's discussion group meeting.

The topic will be treated in the light of determining which of the two aspects is more fundamental in present day religion.

Hansen Is Assistant
Of University Bureau

J. E. Hansen, '24, has been appointed assistant chief of the university of Wisconsin extension bureau of visual instruction.

He will aid in developing the university's program of education through motion picture films, lantern slides, and various exhibits used by hundreds of schools and organizations throughout the state. His new appointment became effective March 1.

Mr. Hansen, previous to his appointment, was superintendent of schools at Westby, and prior to this he was instructor of physics at Chicago Oshkosh high school.

Singers Will
Give Concert
This Evening

Last Number on Artist Series
Will Be Group of English
Musicians

The English Singers of London will appear in concert at Lawrence Memorial chapel this evening as the last number of the artist series for this season.

This group of six musicians has studied ensemble singing for many years with special emphasis on the part-songs composed about three hundred and fifty years ago. It is in this old polyphonic music that the singers have made their greatest successes.

The programs of the musicians comprise a variety of long-hidden gems from the Elizabethan period of a literary and musical art that represents the very acme of part-song composition. In presenting these songs perfect diction and accurate enunciation is required, and the six singers make the words clear and intelligible.

Skillful Changes In Tone

The character of the music they sing and the sense of the words demands changes of tone, including every shade of difference between loud and soft and delicate gradations of strongly marked contrasts. The English Singers are noted for the skillful manner in which they handle this most difficult phase of vocal art.

These musicians have brought a new note of informality to the concert stage in the manner in which they present their program of charming old music. Seated around a table, they adopt the singing manner of those for whom the madrigal were written several centuries ago.

The singers have an unusually successful record. After their first appearance in America in 1925, they returned the next year to fill nearly one hundred engagements. This season they are marking a country-wide tour which will include their first visit to the Pacific coast. They have delighted audiences throughout the world.

The singers are Flora Mann, Nellie Carson, Lillian Berger, Cuthbert Kelly, Norman Stone, and Norman Notley.

Governor Zimmerman
To Speak At Lawrence

Students at Lawrence and citizens of Appleton will have an opportunity to hear Gov. Fred Zimmerman when he comes to this city on March 20.

Governor Zimmerman will speak to Lawrence students at convocation in the morning, to the members of the Kiwanis club at their noonday luncheon, and to the pupils in the various city schools during the day. In the evening he will go to Seymour where he will assist in presenting the character to the Kiwanis club of that city.

Upton Will Speak At
Vesper Service Sunday

Captain T. Dinsmore Upton, who is internationally known for his great work with boys and girls, will speak at the Methodist church vesper service on Sunday evening.

Possessing a thorough and sympathetic knowledge of the needs, ambitions, and aspirations of young people, he is able to make his lectures interesting to every one in the audience, to the young people themselves and to the adults who are interested in boys and girls.

The lecturer has won the title, "Big Brother to a hundred thousand kids." He is noted for the humor, contagious enthusiasm, and sincere earnestness which he puts in his talks.

Mr. and Mrs. Myron Churchill of Chicago, visited their daughter, Dorothy, '31, on Wednesday.

Ervine Drama
Selected For
College Play

"The Ship" To Be Presented by
Play Production Class
Late in May

"The Ship," a three-act play by St. John Ervine, has been selected for this year's all-college play.

Miss Lucile Welty, director of the Lawrence department of dramatics, will coach the venture, while Prof. A. L. Franzke, of the department of public speaking, will assume the business responsibility.

"The Ship," from the pen of a prominent author, treats its theme keenly and ironically, depicting clashes of character and spiritual crises in the lives of commonplace people.

Eight Roles

There are four male and four female roles in the play. The part of outstanding interest is that of a sixty-two year old shipbuilder who, after a determined life of fulfilled ambitions and unrelenting sternness, faces a spiritual crisis that almost wrecks him. Another role, that of a decidedly comic character, contributes a humorous element and serves to temper the note of tragedy which dominates the plot.

The type of play which "The Ship" represents is vastly different, more difficult, and more entertaining than the type which amateurs ordinarily select.

The play will be mainly a product of the class in play production, and unless there is a lack of talent, the director will not go outside the group for players.

The cast has not yet been chosen, but will be decided soon through try-outs held within the class.

Although no definite place has yet been decided upon, the production will probably be given at Fischer's Appleton Theatre during the third week in May.

Carl McKee Sings
In Chapel Wednesday

Carl F. McKee, instructor in voice at the conservatory, presented a group of songs at convocation Wednesday morning.

The numbers were "Ode to the Evening Star" from the opera "Tannhauser", by Wagner; "Poor Man's Garden" by Russell; and "Down Among the Dead Men", an old English drinking song. Mr. McKee gave "Mother Machree" as an encore.

High School Students
Pick Lawrence College

Thirty-five Appleton high school seniors have definitely decided to attend Lawrence college or conservatory of music next year, according to an article printed in a recent issue of the "Talisman", Appleton high school newspaper.

A new system, which is called the Appleton high school guidance program, has been instituted this year, whereby every senior has a conference with Herbert H. Helble, principal of the school. This plan is decreasing the usual difficulty with lack of entrance credits, and it is evident that more students are planning definitely what they intend to do after graduation from high school.

Students To Play Own
Pieces At Peabody Hall

Several students will play pieces of their own composition at the general student recital to be given at Peabody hall Saturday afternoon. This is the fourth of a series of Saturday recitals.

Blue Key Rounds Out
Chapter Roll; Elects
Four To Membership

The Lawrence college chapter of Blue Key fraternity rounded out its chapter roll by the election of four new members at its regular meeting held at the Phi Kappa Alpha house Wednesday evening. The new members are Franklin McDonald and Herbert Weber, both '28, Kermit Clark, '29, and Edgar Koch, '30.

McDonald earned his football letter last fall, and served two years on the glee club, making him eligible for membership. Weber was prominent in glee club, Lawrentian, and Ariel work, while Clark, besides being varsity basketball manager for the 1927-28 season, is a member of Geological Engineers and of the interfraternity council. Edgar Koch, besides being active in Lawrentian and Ariel work, earned his points for Blue Key candidacy by his election as president of Phi Kappa Tau fraternity. The new members are to be initiated early next week, by a ritual team composed of members of the executive committee.

Reports of various committees for the varsity banquet were given at Wednesday's meeting, and it was decided to hold the next meeting on Wednesday, April 4, at the Phi Kappa Tau house.

War Can Be Avoided
Lawrence Professor
Tells Student Body

Inevitability of Strife, Subject of
Convocation Address by
M. Bober

"War is not inevitable," said Prof. M. Bober, of the department of economics, in an address at convocation Tuesday on "The Inevitability of War."

"A big problem of the day is concerned with the abolishment of war," said Professor Bober, "and those who claim that war is inevitable base their attitude on three main points: the biological theory of the 'struggle for existence', the psychological theory that pugnacity is instinctive, and the economic factor of competition for a living."

In regard to the first argument, Professor Bober stated, "This is based on the false analogy between animal and human social evolution. It is faulty also in that it assumes that a nation which is superior in war is superior also in national intellect. Pugnacity does not determine the accomplishments of a people in literature or art."

In his treatment of the contention that pugnacity is instinctive, Professor Bober said that although this belief has been supported by thinkers since the medieval ages, many modern psychologists contend that the urge to fight is not native. "But even if it were true," said the speaker, "it does not necessarily follow that this urge must find expression in one and only one way. There are millions of people who have managed to enjoy a long and happy life without ever shouldering a gun."

"It may be an economic fact," he said in conclusion, "that people are always striving to get a living, but no economic fact in itself ever did any good, or any harm either. It is the attitude which men take toward economic facts which brings about the good or bad results. If the moral standards which guide the lives of individuals were to operate between nations, there would be few serious international difficulties. War is not like a meteor descending upon us. Every effort toward world peace is a step in the right direction."

Addresses Association

Prof. R. M. Bagg addressed the association of American Collegiate Women at Russell Sage hall Saturday, March 10. His subject was "The Geological Story of Appleton."

Grid Coach
Will Speak
At Banquet

Rasmussen Featured on Program
Of Second Annual Varsity
Supper

With Clarence Rasmussen, Viking football coach for next season, as principal speaker, the second annual varsity banquet will be held in the Methodist church next Tuesday evening, March 20, it was announced in chapel Thursday by Ray Menning. The affair is being handled by Blue Key fraternity and the Y.M.C.A., and it is expected that between 250 and 300 Lawrence men will be in attendance.

In addition to a short address by Rasmussen, speakers on the banquet program will include President Henry Wriston, toastmaster; Lael Westberg, who will give the reception speech on behalf of the student body; Coach A. C. Denney, who will present athletic awards; and Judson Roselush, whose subject has not been announced.

Musical Program

Musical numbers will be presented by the Lawrence college glee club, under the direction of Dean Carl Waterman, and other events of interest have been lined up to round out an entertaining program.

The response to Menning's appeal in chapel Thursday was all that could be expected, according to the chairman of arrangements. All those who plan to attend are urged to secure their tickets immediately from one of the following men: Donald Hyde, Myron Kittleson, Fred Schauer, William Verhage, Carl Engler, Ross Cannon or Alex Hunter.

All fraternity houses have arranged to serve no suppers on Tuesday evening, so that all members may turn out for the banquet, and a rebate has been arranged for all Brokaw men who plan to attend. A one hundred per cent turn out is expected.

Spanish Students
Issue Weekly Paper

With the issuing of a weekly news sheet the students of Spanish at Lawrence are breaking into the field of journalism.

During the week the students in the Spanish classes collect interesting news stories on current events concerning Spanish countries. Over the week-end the news is sorted, the "sheet" made up, a stencil cut, and the paper mimeographed.

The news bulletin is being put out under the direction of Miss Charlotte Lorenz and Miss Elizabeth McConkey.

Wriston Leaves For
Meeting In Chicago

Dr. Henry M. Wriston left Tuesday afternoon to attend the meeting of the North Central association of colleges and secondary schools which is being held at Hotel Sherman, Chicago.

While in Chicago he will have a conference with the architects of the new gymnasium.

Gradual Extension of Student Government

A NEW BOGEY MAN

Students who have been sliding along under the impression that they were putting one over on the college office by not attending physical education classes, (ritzy for gym) will find themselves on the other end of the score as a result of the new system of recording gym grades now in use at the college office. Previous to this year, gym grades have not been added in with the rest of the academic subjects in determining grade points, and consequently, grade points were not given for this course. Under the new system, gym credit is regarded as any other course, with the triple grade point plan being used. Furthermore, and here is the catch in the whole matter, unexcused absences from gym will count the same as any other unexcused absence, and a deduction of half a grade point will be the penalty.

Already this new system is making itself felt in the cases of many students. A large number of students who are not athletically inclined have been dropped from the honor roll, who otherwise would have ranked as honor students. Their cases serve as a tragic warning to the people who habitually run out on their gym classes, and is an added incentive for the rest to keep to the straight and narrow, or the physical director will get them—if they—don't—watch—out!

CONGRATULATIONS

The Lawrentian offers congratulations to the six women whose service and leadership on the campus have been marked by election to Mortar Board, senior women's honorary group. They have carried their burden of the extra-curricular work on the campus, and have also maintained a good scholastic average. That is no easy task, and those who have accomplished it deserve the distinction which has come to them.

There are others who might have been—some will say should have been—elected. There are those who are obviously leaders on the campus, there are those who have served remarkably well, there are those who have high scholastic averages. They, too, deserve recognition, but Mortar Board can honor only those who have the combination of all three.

The election of Miss Charlotte Lorenz to honorary membership is an event which the Lawrentian joins with the whole campus in applauding. Printed words can in no way express the warmth of feeling that Miss Lorenz commands from the student body as a whole. She brings to Mortar Board a character which not only meets Mortar Board's exacting requirements, but exceeds them, and her election does honor to the group.

Snow — mush — slush — water — slippery ice — winds — sulphurous odors — Yes, You'll Like Appleton.

If this were California we would inform you that spring would arrive soon.

Filbert says: "Just because the Lawrentian is edited in the basement doesn't prove that it is a basement bargain."

A college man's bankbook shows how much he hasn't.

Which reminds us that snow banks melt quickly—so do bank accounts.

In marking six-weeks papers the profs should keep in mind: "Forgive them, they know not what they do."

And the time has come to begin grooming the high school women. The glee club soon starts on its deadly tour.

But that's all right, you don't have to be in a glee club—vacation is coming!

The Lawrence collegiate dictionary says: A married man is a sweetheart with the nerve taken out.

And after the first course comes the "Dessert Song".

The early bird catches the worm, but what's a worm compared to an hour of sleep?

She: Is it true that you have a sweetheart in every town?

He: Naw, it's a big lie! I ain't been in every town.

—Exchange.

We favor poor fish but starfish also have their good points.

And what drives so many modern men to drink? Taxicabs and other kinds of automobiles.

Spring has arrived when the Scotchman throws out his Christmas tree.

When a girl invites a man to a formal he no longer shakes his head and says "Tush, Tush." He shakes his head and says, "Tux, Tux."

Fireman, save this column, it looks so much better in the waste basket.

HAM.

Rommel Leads In Scoring For Season

Urban "Zeko" Rommel, who earned a berth on the second All-state team as captain and forward, leads the Lawrence eagles in scoring for the season. He holds the total of 113 points, having tossed 39 field goals and 35 gift shots through the hoop.

The ten players with scoring records accounted for 357 points, of which 131 were made by field goals.

Slavik ranks next to Rommel on the total point list, with 27 shots from the floor and 19 free throws. He and Pierce, being guards, have the highest number of personal fouls chalked up against them. Rasmussen, Pierce, and Schneller follow with 53, 44, and 35 points, respectively. The latter ranks high in spite of the fact that he did not become eligible until after the first semester.

The remaining five men are those who saw less action and had less opportunity to make points. Jackola accounted for a five in each column, giving him a total of 15, while Hoffman tossed in 10 markers. Ellis made one less than Hoffman, and Hilton and Voeks complete the list with 3 points each.

Scoring Record

	FG	FT	PF	Tot
Rommel	39	35	13	113
Slavik	27	19	24	73

Track Stars En Route To Illinois Meet

Don and Doug Hyde, Mueller, Wolf and Menning Will Represent Lawrence

Lawrence's five man representation to the Illinois indoor relays, accompanied by Fred Trezise, left this morning for Champaign, Ill., where they will take part in the meet tomorrow.

The men making the trip, all track lettermen, are Art Mueller, Ray Menning, both '29; Don and Doug Hyde, both '28 and co-captains of the track squad; and Charles Wolf, '30. These men will enter two events at the carnival, Doug Hyde entering the 75-yd. low hurdles and a four man team being entered in the college medley relay.

The squad plans to stay overnight in Danville and proceed to the scene of the contest tomorrow morning, arriving in time to compete in the afternoon. This trip will mark the first appearance of a Viking representative at the meet, and according to Coach Denney, it is planned to make this meet an annual event on the Lawrence track schedule.

Medley Relay

The medley relay, college class, in which Lawrence is entered, is a two and one-half mile run this year, and it will be run in four different distances. Menning will start for Lawrence, running a half mile as the first leg. He will be relieved by Don Hyde, who will run his favorite distance, the 400 dash, and Hyde will pass the baton to Wolf to carry for three-quarters of a mile. Mueller will finish the last leg of the race in a mile jaunt. The event, the record for which is held by Ohio Wesleyan, has been increased this year from two miles to two and a half.

This carnival, the largest of the indoor track relays, will be held in the large field hall in Champaign. This year will be the eleventh annual renewal of the event, the first carnival

Sophomore Girls Nose Out Win Over Freshmen

The sophomores edged out a 14-13 victory over the frosh second team in the first game of the girls' basketball tournament played Tuesday.

The game was unusually close for a second team game, and there was very much excitement on the sidelines. The frosh made two close attempts at the basket during the last few minutes of play, which almost jeopardized the game for the sophomores.

McCormick, '31, was high scorer, with five baskets to her credit; Joslyn, '30, was next with four goals and one free throw; and Seybold, '30, followed closely with three good shots from the floor and one free throw.

Line-ups

Sophomores	Freshmen
Seybold f	McCormick

Subs—Miller, Lewis, Owen.	

having been held in 1917. With the exception of 1918 it has been held every spring, and is the last major collegiate meet before the opening of the outdoor season. With the exception of numerous special track and field events, the program offered will consist of a series of relay races for universities, colleges, and high schools.

Five Hundred To Compete

According to reports, more than five hundred athletes from colleges and prep schools throughout the middle west will compete, and more than fifty of the leading institutions of this section will send teams. Most of the schools in the Big Ten, the Missouri valley, and the Midwest conference, will be represented as well as numerous institutions with reputations in track.

While Coach Denney does not expect that his team will cop honors in their events, he is confident that they will make a good showing. The trip is being made with the idea of affording the men a taste of high class competition as a part of the program to put them in shape for the opening of the outdoor season at Lake Forest on April 21.

D.I.'s Increase Lead In Sports

Delta Iota moved to within easy striking distance of the Greek supremacy cup for this year's race last week when the Union street outfit crashed through with the foul-throwing championship to widen the gap between it and its nearest rivals, the Theta Phis, by fifteen additional points. The D.I. total is now 506.25 points to 254.17 for the Thetas.

No other changes took place in the standings as a result of the foul throwing event, although the Phi Kaps added an additional ten points to their total.

To definitely cinch the cup for the second straight year the D.I.'s must take sixty more points, thirty of which may be gathered by merely entering teams in the remaining three events. The Theta Phis, to beat the D.I.'s out of the supremacy trophy must capture first place in all three remaining events, medley relay, baseball, and golf, while holding their rivals to less than thirty actual points in competitive places.

With the finish of bowling and basketball and the running off of the foul-throwing contest, the league will remain inactive until April 27, at which time the medley relay will be run. Baseball will get under way three days later and continue until June 2, and golf will enter the lists on May 17.

Delta Iota	506.25
Theta Phi	254.17
Phi Kappa Tau	191.25
Beta Sigma Phi	179.17
Sigma Phi Epsilon	172.50
Phi Kappa Alpha	129.17
Delta Sigma Tau	60.00
Psi Chi Omega	40.00

Weather Bulletins

Weather bulletins sent out by the Green Bay weather bureau station will be posted daily on the first floor of Science hall, it has been announced by Prof. R. M. Bagg.

Mrs. George Banta, Jr., Menasha, district president of Kappa Alpha Theta sorority, and a special student at Lawrence, will make her annual inspection trip to Madison this weekend.

Swimmers Will Meet Columbus Club Team

A return match with the Columbus Club swimming team of Green Bay is scheduled for the Lawrence swimming team for tonight. The meet will be held at the Y.M.C.A. pool and the men swimming for Lawrence will be LaFevre, Ryan, Van Westriennen, Catlin, McMahon, and Gallagher.

The Lawrentians will make an effort to avenge their earlier defeat by the Columbus Club team when they met at Green Bay some time ago. In this meet the Viking squad, badly out of condition, lost the decision only after a desperate fight that carried the result to the outcome of the final event. Because of the keen rivalry between the two teams an exciting match is expected.

Kathryn Mary Larsen, '31, spent the week-end at her home in Wau-paca.

A class of Sunday school students visited the college museum on the third floor of Science hall Thursday evening, and a short time ago the Methodist church troop of Boy Scouts went through the museum.

SOCIETY

Mu Phi Epsilon
Announces Marriage

Mu Phi Epsilon announces the marriage of Helen Taft, '23, to William Hanson on March 3 at Sparta. Mr. Hanson is the publishing manager of the Four Wheel Drive Auto company. The couple will live in Clintonville.

Campus Club
Entertains at Russell Sage

The Campus club entertained at a tea in the parlors of Russell Sage hall Thursday afternoon. Lorene Canon entertained with several voice selections.

Mrs. H. M. Wriston, Miss Marguerite Woodworth, Mrs. W. E. Rogers, and Mrs. E. Baker were in the receiving line. Guests were town friends of the club members. Mrs. Rogers was the chairman of the tea committee.

Alumnae of
Sorority Entertained

The Mu Phi Epsilon alumnae club was entertained Tuesday evening by Miss Irene Albrecht and Miss Barbara Kamps at the home of the latter.

Hold Supper
At Chapter Rooms

The actives and pledges of Kappa Alpha Theta held a supper at the sorority rooms on E. Lawrence street Tuesday evening. Mrs. M. Banta and Miss Dorothy Bethurum were guests.

Announce
Pledging

Sigma Phi Epsilon announces the pledging of Paul Husting, '31, Mayville.

American Language
Comes Into Its Own
In Paris Catalogue

Englishmen who writhe at the mere sound of the Yankee twang should be considerably incensed when they see Carl Van Vechten's "Negro Paradise" listed in Kra, Paris catalogue, and accompanied by the information "translated from the 'American'."

To the good Englishmen it is almost heresy to suggest a resemblance between nasal voices of Americans and his own well modulated tones. He does not admit the existence of such a thing as an English accent. To him there is only an "American" accent. Which may explain Dr. L. C. Baker's statement that despite the "faux pas" of Kra, French publishers in general are beginning to differentiate between the two languages.

Speaks At Y.W.C.A.

Leora Calkins, '30, led a discussion on the subject of "Racial Prejudice", at the Y.W.C.A. meeting last evening.

A violin solo, "Canzonetta" by Striml, was given by Helen Rudin, '31.

N. U. Dental School
Offers Scholarships

Lawrence college was one of a selected list of twelve institutions whose graduates wishing to enter the practice of dentistry will be offered scholarships in the Northwestern university dental school, according to an announcement made by Dr. Edward H. Hatton, chairman of the scholarship committee.

These scholarships cover the tuition for the four year course providing that a high standard of work is maintained.

Although graduates from all colleges will be considered for scholarships, the following selected list of twelve institutions was announced: Knox college, Illinois college, Northwestern university, DePauw university, Washash college, Beloit college, Lawrence college, Coe college, Cornell college, Carlton college, and Hamline university.

Round Robin Tournney
Will Start Next Week

The girls' first team round robin basketball tournament will be played Monday, Tuesday, and Wednesday of next week. Two games will be played each night, with Miss Agnes Vanne-man of the Appleton Woman's club acting as referee.

CLUBS

Classical Club

Miss Dorothy Bethurum, of the department of English literature, spoke on "Humanism" at a meeting of the Classical club which was held at Ham-ar house Wednesday evening.

Humanism, which was concerned with the revival of Greek and Latin at the beginning of the Renaissance, according to the speaker, was the actual inspirer of the Renaissance. Miss Bethurum pointed out the bearing which the classical aspect of the Renaissance has on modern education.

Tourmaline Club

The members of the Tourmaline club were conducted through the Riverside paper mill Wednesday evening. The various processes of paper-making were explained to them.

Spanish Club

Olive Ottiker, '28, read a paper on the life of Cervantes at a meeting of the Spanish club held Tuesday evening in Main hall. A similar paper on the life of Perede was read by Alice Michels, '30.

English Club

Mary Gregory, '28, gave a review of John Galsworthy's drama "Escape" at a meeting of the English club, Monday afternoon. The speaker also gave sketches from the life of the author.

Oxford Fellowship Club

A business meeting of the Oxford Fellowship club at which plans were discussed for the annual banquet of the club which is to be held sometime in May, was held in Dr. John R. Denyes' room in Main hall Thursday evening. It was decided to have a

speaker from the Garrett Biblical institute address the club at the banquet.

The deputation team is to have charge of the services at the Evangelical church of this city Sunday evening, and the following Sunday the club will take charge of the services at the Presbyterian church of Green Bay.

Physics Club

An informal question-box on radio receiving and transmitting and on television was the subject for discussion at a meeting of the physics club Tuesday evening in Science hall. The club plans to have a movie on various aspects of radio transmission at its next meeting which is to be held March 28.

BEERY AND HATTON in "PARTNERS IN CRIME"

THE PETTIBONE-PEABODY CO.

The Sports Frock
of Silk Print
\$15

One can't possibly be smart without at least one of the new printed silk frocks which present the new softer line so alluring even in the practical sports frock.

They have many of the special fashion features that are usually to be found only in more expensive frocks. A wide variety at \$15.

A timely economy!
The Hosiery Mending
Service at Pettibone's

Have you silk hose that you have laid aside because a run has started? Bring them to our Hosiery Section and have them made as good as new. The mending is done so skillfully that you could not yourself detect the new thread. It takes from five to seven days and the charges are moderate.

—First Floor—

The Ensemble
for smartest
Easter wear
\$39.50 up

In tweed, in homespun, twill and the smart brameena, the ensemble is counted indispensable if you would be really up-to-the-moment this spring.

You may choose a coat length that is sure to be most becoming, for any length from the hip to the seven-eighths style is smart. Tan, navy and various shades of gray are favored. \$39.50 and up.

The Tailored Suit
of Navy Blue
\$25

With the return of spring the tailored suit, especially when it is made of navy blue, is worn everywhere by the woman who appreciates the chic of tailored clothes.

The skirt is of the simple wraparound style and the coat is bound around revers, collar and pockets with black silk braid.

Springtime's Notable
Successes in Coats
\$29.50 up

Some of the very smartest of the new spring coats are untrimmed except for a clever scarf treatment or stitching beautifully done or perhaps an unusual arrangement of cording. But if you desire fur, there are many lovely models that feature both the flat fur collar and the flattering long-haired furs. \$29.50 and upward.

Finer Frocks
to grace a multitude
of social events
\$25

Really charming frocks that show the influence of recent Paris successes. There is nothing suggestive of the sports mode in these more subtly feminine frocks that show jabots of Alencon lace, graceful uneven hemlines, fine knife pleatings.

Of flat crepe and georgette and priced from \$25 upward.

—Second Floor—

Senior Jack Says:

"Ready for
Easter?"

"Easter comes on April 8 this year. Now is the time to start getting your clothes ready for the annual fashion parade.

"I'm going to send my

topecoat and spring suit to the Valetaria for a thorough cleaning and pressing. My sister is sending a dress and coat, too. It pays to start preparing early and avoid the rush."
